However, all of these vacation experiences pale in comparison to you, our Travelers. Our staff members thoroughly enjoy being a part of sharing the world of travel with our Customers.

Our vacations are designed to enlighten and expand each Traveler’s view, to encourage Travelers to discover and pursue leisure interests, to increase Traveler’s self-confidence, and of course to HAVE FUN! Our vacations are also designed to promote independence and choice, with safety as our number one priority.

We take very seriously the fact that Travelers work tirelessly for, and look so forward to, our vacations. We will continue to work very hard to make each vacation special for each and every Traveler. We hope you will join us again, or for your first time, as we experience what we feel is an essential part of a well-rounded life…….VACATIONS.

Sincerely,

Don Douglas

ABLE TREK TOURS, INC.

WHO ARE ABLE TREK TRAVELERS?

Individuals who need assistance vacationing are encouraged and welcome to travel with Able Trek Tours. This includes individuals with developmental disabilities, the elderly, individuals with a mental health condition, and others. Most Travelers are individuals with mild to moderate developmental disabilities. Travelers must exhibit good social behavior, have no major medical concerns, be at least 16 years old, and display appropriate behavior toward property, themselves and others. Typical staff to Traveler ratio is 1:3 or 1:4. If a Traveler requires more assistance and/or supervision we MUST be informed of such needs ahead of time.

TRIP FEES INCLUDE

Staff supervision, transportation from pick-up/drop-off sites, listed attractions, lodging, taxes, an Able Trek t-shirt or hat, a group photo, and many meals are included in the trip fee. Almost every trip includes breakfast and the evening meal each day.
TRAVELERS USING WHEELCHAIRS:

We have accommodations for up to two Travelers who use wheelchairs on most trips. It is our experience that nearly all Travelers who use a wheelchair require Traveler specific, “specialized” care. Their caregivers must be both physically capable of and trained in the techniques of transferring and lifting. In addition, most Travelers who utilize wheelchairs have very individual and specific personal care needs – needs that can only be properly met by a caregiver who has experience with that Traveler. In order to properly and safely accommodate Travelers who use wheelchairs, we have adopted the following policy:

1) We require that Travelers who require a wheelchair to ambulate bring their own (1:1) personal aid with them on trips. To help make this policy more affordable, the personal caregiver will travel at ½ the cost. The Traveler will pay the regular rate (double or single occupancy – see #2) and their aid will be 50% of that rate.

2) Travelers who require fully accessible lodging accommodations (roll-in showers, wide door entrances, grab bars in bathroom, etc.) are “generally” required to pay the “Single/ADA” rate. The reason for this policy is that most hotel’s ADA accessible rooms have only one bed. We do our best to find hotels with ADA rooms that have two beds. If a Traveler who uses a wheelchair and their own personal caregiver choose to share a bed they can base the price of the trip on the “Double” rate. On the rare occasion where we can find accessible rooms with two beds we will adjust the rate accordingly. Please contact us with any questions about this policy.

STAFFING ON TOURS

All vacations are supervised by our owner, Don Douglas, and/or at least one Tour Leader employed by Able Trek Tours. Before establishing Able Trek Tours in 1992, Don was the Executive Director of Wisconsin Badger Camp, an organization that offers recreational camping/outdoor experiences to people with developmental disabilities. All other staff members are carefully screened and selected volunteers and/or qualified paid staff. Many of our staff are social workers, teachers, group home staffers, and other qualified and experienced people.

Typical staff to Traveler ratio is 1:3 or 1:4. If a Traveler requires more assistance and/or supervision we MUST be informed of this need ahead of time. Please be aware that care/supervision on vacations is typically more intensive or demanding than in the home setting. We will do our best to accommodate a Traveler’s needs in excess of our normal staff supervision. However, if a Traveler requires 1:2 or 1:1 supervision an extra fee will be required. In some instances we will require that Travelers bring their own staff. As stated previously, this is the policy with most Travelers who use a wheelchair to ambulate.

PERSONAL ESCORTS

At times Travelers and caregivers simply do not feel comfortable attending a vacation without a familiar face along. This situation has been common for Travelers who may need more assistance than our normal 1:3/4 ratios and many Travelers who use wheelchairs. We welcome, encourage, and will at times require that personal escorts join us. The cost for such an arrangement (for BOTH participants) is typically 150% or 1 ½ times the cost of the indicated rate. For example, the Door County & Green Bay trip (May 30 – June 2, 2017) would cost $1,387.50 ($925 X 1.5) for DOUBLE accommodations. Please call for guaranteed prices.
FREE WORKING VACATION OPPORTUNITY – Group home staff, caregivers, case managers, etc. if you sign three or more people up for a trip you can go for free as a chaperone. Contact Able Trek Tours for more information.

A special pick-up of six or more people may be provided for a community or area not listed in our regular route. To arrange for this option the request MUST be made at least 45 days prior to the trip start date. This option may or may not require an additional fee (call our office) and IS NOT available for one-day tours.

BUS/AIRPORT GREETER OPTION
Travel arrangements to and from the Able Trek pick-up/drop-off sites can be difficult to arrange. We will work with Travelers and caregivers to arrange for our staff to meet participants at the Madison Greyhound Depot and/or Airport or at the Wisconsin Dells Greyhound or Amtrak Depot. We may also be able to assist with accommodations and staffing the day before or the day after trips. Since all Travelers do not need these services an additional charge may be required.

TRAVEL/CANCELLATION INSURANCE COVERAGE
Travel insurance, for an additional fee, is available for all tours. Contact Able Trek Tours to request travel protection information. We can send you the information via US mail, email, or you can download the information from our website. Coverage includes: trip cancellation, emergency medical/dental, and more. Rates start as low as $20.40 per trip.

PAYMENT PLANS AND PRE-PAYMENT
To help make our vacations more financially feasible for Travelers, we offer interest free payment plans for most tours. At least 70% of the trip fee must be paid prior to the trip. The remaining balance can be made in monthly installments of $50 to $100. This can help make vacationing affordable for many. All payment plans must be pre-approved by Able Trek Tours. Payments can be in the form of checks, money orders or by credit card.

SPEND DOWN – Not sure of the exact trip you want to take? You can send payment(s) in advance and decide on a trip later.

Trips are filled on a first-come, first-serve basis and many vacations sell out. It is important to sign-up as soon as possible. We suggest a minimum of 60 days for motor coach tours and a minimum of 3 months for air, rail and international vacations.

CONFIRMATION OF VACATIONS

Once your deposit and/or application are received the following will happen.

1) Within two weeks you will receive a phone call or email confirmation.
2) One month prior to the trip a FINAL ITINERARY will be sent confirming all details and requesting any additional information needed.

Vans may be used for shuttling to and from our pick-up locations. All of our vehicles and Tour Leaders have cell phones. These cell numbers are indicated on the FINAL ITINERARIES. We are rarely late for the pick-up and return times.

ACCOMMODATION/SLEEPING OPTIONS

Overnight accommodations on most trips are well known hotel chains. We offer an option with regard to sleeping arrangements. They are:

DOUBLE ROOM – Two people per hotel room, each person has a private bed.
QUAD ROOM – Three or four people per room with Travelers likely sharing a bed.
SINGLE ROOM – Private hotel room with no roommates.

Prices for each type of room are indicated in the tour descriptions. The prices indicated are per person. Travelers MUST let us know their accommodation choice when making the reservation and/or by indicating such on the Traveler application. Over 90% of the Travelers choose the DOUBLE ROOM option.

If requested, we will attempt to place a staff member in the room with a Traveler. While our staff will monitor and assist all Travelers, direct 24-hour supervision (a staff in each room) is not feasible. Travelers’ rooms are typically adjacent to a staff member’s room. We reserve the right to place a staff member in any room if we deem it necessary.
MEALS AND SPENDING MONEY
Most multi-day trips include all breakfasts and all evening meals. The number of meals included is stated in each tour description in this booklet. Meals not included will be paid for with the Traveler’s personal spending money. If needed, our staff will assist Travelers with their spending money. The amount of suggested personal spending money for each trip is indicated on the detailed itinerary.

VOLUNTEER STAFF

An experienced Tour Escort leads all of Able Trek Tours vacations. Other staff members are volunteers. Each volunteer chaperone assists a group of three to four Travelers. With the assistance of the Tour Leader, chaperones provide supervision to ensure a safe and enjoyable experience for each Traveler. In exchange, volunteer chaperones go on the vacation FREE and receive meal money.

If you or someone you know would enjoy supporting our Travelers as they break down travel barriers and expand their horizons – please contact us. We always welcome and are looking for dedicated, hardworking & compassionate people.

PASSPORT REQUIREMENTS

A PASSPORT is now REQUIRED to travel anywhere outside the United States - this includes Canada and Mexico. A PASSPORT BOOK (about $110) allows you to travel internationally via any means (air, land, water). A PASSPORT CARD (about $55) allows travel internationally by LAND ONLY. If you have any plans to travel outside the United States we suggest you start the process of securing a passport. The process is easy, but it will take up to 6 weeks, so don’t delay. To apply for either type of passport log on to www.travel.state.gov or call 1-877-487-2778. Passports are valid for 10 years.

TRAVEL & TRIP CANCELLATION INSURANCE

Although insurance is not required to attend a vacation, we recommend that Travelers consider purchasing Travel/Cancellation Insurance. We especially encourage Travel Insurance for any trip including air, cruise, train or international travel. These particular vacations have very restrictive and expensive financial cancellation penalties. Cancellation insurance can protect your travel investment from unforeseeable events such as sickness, injury, or death of you, an immediate family member, or that of your traveling companion. In these cases your trip payments can be fully refunded, minus the cost of the insurance. This can be great peace of mind and save you hundreds or thousands of dollars. Without Travel Insurance you will be subject to the cancellation penalties indicated on page 25 of this booklet. The insurance also includes limited medical and emergency medical evacuation coverage during your vacation.

The cost of the Travel Insurance varies depending upon which plan you choose, but ranges between 5-10% of the total trip cost. To purchase or to receive more detailed information about the Travel and Cancellation coverage please contact Able Trek Tours. We can send you the information via US mail, email, or you can download the information from our website. For coverage of any pre-existing medical conditions the insurance MUST be purchased within 14 days of your initial trip deposit or payment.
